The movie starts off with Guru Gangadhar, a recluse in his late 70s who is being driven from the railway station to his home in Delhi by Rajesh Kapoor, his loyal servant for more than 60 years. Along the way they run into many obstacles that force them to stop and re-plan their route while interacting with various people which enable us to see Rajesh's honest admiration of Guru Gangadhar. When Guru Gangadhar arrives at the railway station to head to Delhi where he will stay with his relatives till his death, he finds that he forgot his own house keys. Rajesh then resorts to breaking into the house, but they are surprised to find that Guru Gangadhar's home is filled with gold and precious gems. They decide to transport the valuables to Guru's relatives' house where they will stay until his death. However, when the family members arrive at the house, they become furious with what Rajesh had done and order him out of the house. Rajesh Kapoor, Guru's driver and servant since his childhood, decides to travel with him. They travel together for a few weeks and Rajesh decides to go back home to be with his family. However, when they find that he has run away, Guru Gangadhar tells Rajesh that he is taking it very personally and that he should come back: "Just like your mother came back after leaving you for a bit – why can't you do the same?" The film then focuses on the relationship between Rajesh and his wife Neetu as well as their daughter Mamta. Neetu is an assertive woman who is very devoted to her husband whereas Mamta is a happy-go-lucky girl that wants nothing more than to have fun. However, she never expresses her wants because of Neetu's interference. The film also focuses on the relationship between Guru Gangadhar and his grandson Kaushal, who wants to be a pilot. He has joined the national air force academy for this purpose but he does not have enough money for food and lodging. Rajesh's son Rituraj also joins the academy with Kaushal where he becomes friends with him. When he finds out that Kaushal is from a rich family, he starts to become friends with him for the social benefits. Thereafter, Guru Gangadhar goes back to his house in Delhi and Rajesh's family also returns home from Delhi. Rituraj realizes that the resentment towards Rajesh is not justified and that his family should accept him. He goes to find him but instead finds Guru Gangadhar who has collapsed in a park because of a heart attack. He calls for an ambulance and brings him home where Rajesh's family takes care of him until he passes away.
